Will make it easy for you

- **We can handle most printing jobs** (see over) so you don't have to have your work scattered all over the place. We are close by, so it's easy to call in to discuss specifications, select paper samples, check proofs, collect samples etc.
- **We can handle most art files.** If you already have complete art, just give us a call and we'll have a quote to you, usually within the hour. Usually no trouble to make last minute art changes either. Artwork or proofs can be emailed for checking.

If you need help to plan the size or format, or to design and layout your job, give us a call, or pop in to discuss your ideas. We can suggest an effective and economical format, show you different paper samples, provide a quote and arrange preparation of layout and artwork for you in our own design studio.

- **We offer a complete service** including design, artwork, printing, finishing, collating and delivery.
- **We keep complete job records** and samples on file so it's easy to arrange a reprint or make any changes. Keeping your print work with one supplier avoids having to remember who did what job.
