TERRAIN

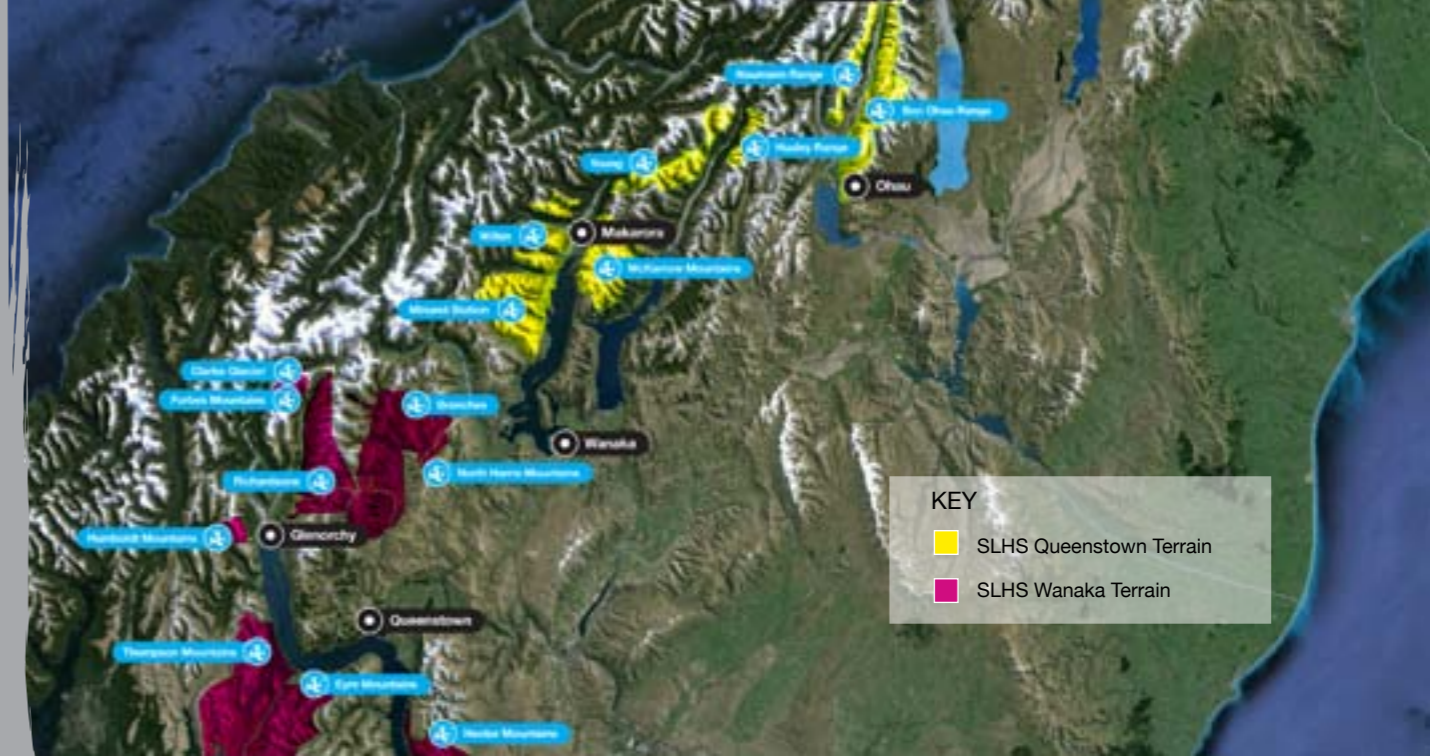

With access to 600 runs across 11 different mountain ranges, from Queenstown to Wanaka, we can genuinely offer the best powder heli day in the Southern Lakes Region.

Whether you are an intermediate to expert skier/snowboarder; chartering a private charter or a film crew, you set the pace and we'll take care of the rest.

In the back country its just you and the elements, surrounded by endless peaks. We can take you to altitudes of 2585m, where you can perform memorable untracked turns on runs three times longer than an average NZ skifield.

The scenery is breathtaking from our skillfully piloted B2, and B3 helicopters. It is an exhilarating way to view our amazing mountain environment.

WE ALSO OFFER ACCESS TO THE CLARKE GLACIER!

☑☑☑ DAILY HELISKIING

We offer a range of heliski/boarding options to match your abilities and goals with our skilled guides and terrain. Choose the right option for you or call us and we can advise you on a package to suit.

With a ratio of 4-5 clients to 1 guide, grouped together with people of similar ability, you will have a day you'll never forget.

All prices include: guides, landing fees, lunch, DOC fees, use of safety equipment, and transfers.

All you need to bring is yourself, your equipment, sunscreen, a camera, water, a great attitude and we will provide the rest.

ABILITY REQUIRED: Heliskiing is suitable for "intermediate and advanced" skiers and snowboarders. If you can handle intermediate runs, you can heliski. You also need to be fit and enthusiastic.

▶▶▶ SIMPLE, EASY, PERFECT!

Your heliski day is an all-inclusive package with door to door service from your accommodation in Queenstown or Wanaka.

Safety is our number one priority and the guides will issue you with an avalanche transceiver, teaching you all you need to know to ensure your safety in the mountains. Finally, accompanied by your guide and group, you will set off for the thrill of your life!

After a few runs, lunch will be served, a buffet style of hot and cold cuisine right there in the mountains! A few more runs to tire you out and then we will happily get you back to your accommodation returning all your rental gear so you can relax and revel in your wonderful day.

All prices include: guides, lunch, landing permits, Department of Conservation fees, use of avalanche transceivers.

❖❖ BOOKINGS:

We do advise booking in advance within our busy season from July through to September. We are flexible with our options and your ideas, so come in to the heli shops and see us.

❖❖ PAYMENT:

Full payment must be made the day prior to you flying.

❖❖ EQUIPMENT:

Suitable equipment is essential. We recommend everyone uses powder skis or board. Ask our advice on current conditions and rental options prior to flying.

❖❖ SNOW REPORTS:

A snow report is regularly updated and is available on our website or posted outside our heli shops in Wanaka and Queenstown. Come and talk to our staff and get professional advice on the weather and snow conditions.

❖❖ MERCHANDISE/PHOTOS:

A wide range of merchandise is available from caps and hoodies to soft shell jackets and more, just ask our staff or check out the range at our booking office or online. Our guides provide a photo service subject to availability and safety.

❖❖ CANCELLATIONS:

A full refund is given if cancellation is made 24hrs before the day you are booked to go.

❖❖ REFUNDS:

Unfortunately sometimes bad weather prevents our operation. Should this occur, all payments will be fully refunded. If some heliskiing has been possible, but due to the weather you had fewer runs than you booked for; the value of refund offered will be determined by the package purchased. Refunds are not given due to injury, lack of ability, fitness or cancellations on the day.

❖❖ SAFETY:

Safety is first and foremost to our operation. Our specialist guides have the skills and ability to provide you with an exciting safe memorable day in the mountains. In addition to their people skills they are equipped with technical knowledge and safety equipment that ensures you are safe as possible in the back country. Because they have years of experience in our vast terrain they are able to forecast hazards and select the right terrain for your ability. Our guides are trained in avalanche hazard evaluation, weather analysis and emergency medical techniques. Every person is issued with an avalanche transceiver and taught how to use it.

❖❖❖ FAQ'S

DO I NEED TO BE AN EXPERT SKIER OR SNOWBOARDER? No, if you can comfortably ski or ride an intermediate run you will be capable of heliskiing.

HOW LONG ARE THE RUNS? Our average runs are three times the length of a local ski field run, and some are a lot longer!

WHAT ALTITUDE WILL I BE SKIING OR RIDING AT? The best powder snow is between 2585m to 1200m. We usually get anywhere from 600-1000m vertical on each run.

IS HELISKIING A FULL DAY ACTIVITY? Yes, your day will start at 7.30am with a confirmation phone call and end anytime from 4.30pm.

DO I NEED SPECIAL SKIS/SNOWBOARD? For skiers we recommend powder skis. Talk to us about rental options upon booking. Boarders can use their normal board, but set into a free ride stance.

WHAT DO I BRING? Warm clothing, goggles or sunglasses, sunscreen, camera and your equipment to ski or ride.
